

I live in the equestrian area of Shadow Hills/Sun Valley and I am worried that the proposed redistricting will leave me and my equestrian neighbors isolated from the rest of the equestrian community.

My home shares the horse-keeping agrarian lifestyle and the high-fire zoning of the rest of Stonehurst and Shadow Hills.

These areas are:

1. The western end of Wentworth
2. a block of Bromont Ave
3. A block of Sheldon St
4. a block of Allegheny St
- 5 One side of a block of Wicks St
6. Several blocks of Wealtha Ave

And the western side of several blocks of Stonehurst Ave.

To separate us brings real concern that our unique needs and lifestyle will not be fully taken into account and therefore not protected.

PLEASE LEAVE ALL EQUESTRIAN AREAS IN THE SAME DISTRICT!!!

Sincerely,

Lisa Hoffort
